## South Hampton School Board

Kimberly Molin, Chairperson Jim Kime, Vice-Chair Rebecca Burdick

### Annual Report from the Superintendent of Schools William H. Lupini, Ed.D.

I am thrilled to have been appointed as Superintendent of Schools with SAU 21 as of July 1, 2018. While I have served as a Superintendent for the past 24 years in four different communities in Pennsylvania and Massachusetts, I am particularly excited about the work ahead and opportunities in Hampton Falls, North Hampton, Seabrook, South Hampton and Winnacunnet.

I am proud to work with twenty-three (23) school board members in our five SAU 21 school districts. Each of these community members are dedicated to ensuring excellence in public education for all New Hampshire children and to doing so in the most efficient and cost effective manner possible.

Your community's Annual Report includes a wealth of information about our schools and students, including reports from the Board Chairperson and Principal. Everyone associated with SAU 21 and our schools knows that the support of community members is the key to a successful public school system. We sincerely appreciate the trust that you place in all of us -- teachers, educational assistants, support staff, and administrators -- and know that your support also comes with a level of accountability for performance, care, and fiscal responsibility. We take this responsibility seriously each and every day.

#### SAU 21

At SAU 21 we are proud to serve the students in our schools, as well as our parents, teachers, support staff, and residents of our member communities. Our goal is to provide the leadership and administrative services to support the collective educational mission and vision of our school districts.

The SAU has two (2) primary purposes: administration and accountability. Specifically, SAU 21 delivers essential student services, curriculum and instruction, and business administration services. More specifically, we coordinate leadership activities, supervision and evaluation of employees, all state and federal reporting, budget preparation and management, payroll administration, accounts payable, human resources, curriculum development, monitoring of state and local assessment results, special education, and other important school and district related activities. Most importantly, we are champions for our children and educators, while maintaining guardianship and fiscal responsibility for taxpayer resources.

Specifically, the SAU 21 central office provides services and leadership for:

- Over 740 Staff, including approximately 200 temporary employees (i.e., substitute teachers, coaches, etc.).
- 2,424 students (as of October 1, 2018).
- Five (5) school district budgets and an SAU budget totalling over \$57m in 2017-2018.
- Coordination and administration of Federal grants totaling over \$1.2m in 2017-2018.

Most importantly, we believe that a key benefit of SAU 21 is our ability to identify efficiencies, cost savings, revenue enhancements and improvement in services that can be achieved through

the five (5) districts working collaboratively as a single entity, where appropriate. The model better affords our member districts the ability to utilize economies of scale, achieve cost efficiencies, consolidation of functions and shared personnel to create better services for our students. We are regularly working with our member districts to identify opportunities for shared programming and implementation of important initiatives that would be more expensive and less effective for our individual districts to achieve on their own.

#### Service Awards

As part of our SAU 21 convocation on Thursday, August 23, 2018, we recognized the commitment of our teachers to these communities by awarding pins for 25, 30, 35 and 40 years of service. Following is a list of those recognized:

<u>25 Years</u>: Pamela Huebner (Hampton Falls), Kelli O'Connor-Maynard (Hampton Falls), Laura Nolan (North Hampton), Denise Morrill (Seabrook Middle), Lisa Brown (Winnacunnet), Carollyn Federico (Winnacunnet), Christine Karmen (Winnacunnet) and Stephen Lichtenstein (Winnacunnet).

<u>30 Years</u>: Molly Wynne (Hampton Falls), Bradford Johnston (North Hampton), Gail Auffant (Winnacunnet), Ronald Auffant (Winnacunnet), John Croteau (Winnacunnet) and Timothy Spinney (Winnacunnet).

<u>35 Years</u>: Lorraine Johnson (North Hampton), Donna Butcher (Seabrook Middle) and Linda Osborne (Winnacunnet).

40 Years: Kevin Fleming (Winnacunnet) and Diana Weidenbacker (Winnacunnet).

Our thanks to all of these teachers for their service and dedication to our students and the SAU 21 communities.

#### New Administrators

We welcomed the following new (or new to their positions) leaders for the 2018-2019 school year:

- Aaron Abood was appointed as Athletic Director of Winnacunnet High School. Mr. Abood, who had previously served as an Assistant Principal at Winnacunnet, replaced Carol Dozibrin when she retired in June.
- Becca Carlson was hired as Curriculum Coordinator at North Hampton School.
- Amy Hood replaced Mr. Abood as Assistant Principal at Winnacunnet High School.
- Walter Huston was appointed as Principal at Barnard School in South Hampton, replacing Ken Darsney, who left at the end of the 2017-2018 school year.
- Erin Milbury replaced Les Shepard as Principal of Seabrook Middle School in November, 2017. Mr. Shepard had retired at the end of the prior year, but stayed on at the school until Ms. Milbury's hiring.
- Jean Parsons was hired as Interim Director of Special Services as Lincoln Akerman School in Hampton Falls, replacing Ada McDowell.

- Beth Raucci was appointed as Interim Principal at Lincoln Akerman School, replacing Mark Deblois. Ms. Raucci was recently hired to stay on as the permanent Principal at the school.
- Ryan Stevens' position as Dean of Students at Winnacunnet High School was redefined as an Assistant Principal role.

My thanks to each of these new administrators for their willingness to take on the challenges of leadership, as well as for their commitment to our students, staff, and communities.

### My Beliefs

During the convocation referenced above, I shared a set of core beliefs that have guided my practice throughout my teaching and administrative career. These beliefs are as follows:

- I believe in having an outstanding teacher in every classroom every single day. All of our students need our best and there are no days when bringing your "B" game is acceptable.
- I have a special place in my heart for those who struggle, those for whom school is not always the place they want to be, and those who don't necessarily buy into the norms. I believe that every student who comes through our doors deserves to be challenged, supported, and loved.
- I believe that every child deserves to have adults in our schools who care about them and at least one person who they can go to, without question, for support and advice.
- I don't believe that we honor teaching and teachers nearly enough in this country. Teaching is hard work and teachers change lives.
- I believe that a significant part of my job is to support and encourage teachers, while holding them accountable for the important work that we do with students every day. We are only as successful as our teachers are in the classroom.
- I believe that "good is the enemy of great" when it comes to our public schools. I have worked in many great schools -- what made them great is that they never got caught up in their belief about how good they were. They took "good" as a challenge to do better each and every day.
- Finally, I believe that anyone new to an organization, no matter their number of years of experience, should spend most of their time asking questions, gathering information, and listening to people who have spent time in that culture -- that is how we learn.

### Entry Plan

I have spent a significant amount of time during my first seven (7) months as Superintendent engaged in the entry plan process. The purpose of the entry plan is to assist me in developing a comprehensive picture of SAU 21, including the students, staff and community stakeholders, that will help me to better understand the SAU and, most importantly, will lead to the creation of a report and specific recommendations going forward. The development of this plan has consisted of interviews with various individuals and groups, as well as a review of plans and documents, in an effort to develop a sense of the SAU and our school districts, and provide a basis for future goals, objectives and activities.

While my report of findings and recommendations will be presented to the SAU Joint Board in March, the report will address the following key areas:

- It appears that the Districts within SAU 21 could benefit from taking advantage of key opportunities for improved services and efficiencies that this larger organization could provide, while retaining the importance of their local autonomy. Examples could include policy development, special education programs, systems integration, grants, professional learning, and technology.
- Viewing educator evaluation as a priority and an important tool for improving teaching and learning is critical. We are currently working to revise the current educator evaluation plan for implementation in the 2019-2020 school year.
- The revision of our emergency preparedness plans is a priority for our schools. We have engaged the services of an outside consultant to assist us in ensuring that our schools are safe, supportive environments and that we are prepared in the case of any emergency situation.
- While many of our Districts have begun to implement social emotional learning and/or bullying prevention strategies, there is a need for a more coordinated approach across the schools to achieve maximum success and efficiency.
- There appear to be opportunities for better collaboration with SAU 90 with respect to a number of important areas, including special education programs and services, student management software integration and management, and professional learning.
- There appears to be a need for better communication with all stakeholders across the SAU 21 communities. For example, while our competency-based education planning and implementation efforts are off to a positive start, there is a need for continuous education efforts for school board members, parents, and community members regarding key components of this important initiative.
- SAU 21 districts and schools could benefit from a coordinated strategic planning effort, focused on what we are trying to achieve for our graduates (both at the pk-8 and pk-12 levels). This effort could bring better focus to our combined and individual efforts and help better demonstrate the key advantages of a more collaborative approach.

I am looking forward to presenting the full report of my findings and recommendations to the Joint Board and our SAU 21 communities in March and, more importantly, to the implementation of strategies designed to better serve students, parents, staff, and stakeholders during the coming years.

#### Conclusion

I have enjoyed my first few months as Superintendent of Schools with SAU 21. I believe that our schools are doing a terrific job of focusing on the needs of our students. It is clear from their involvement and financial support that our communities are supportive of our public schools.

My focus will be to ensure a level of academic, programmatic, and fiscal responsibility that the residents of Hampton Falls, North Hampton, Seabrook, South Hampton, and Winnacunnet Cooperative deserve. Thank you for your support of SAU 21 and our school districts -- I look forward to working with all of you for many years to come.

### Principal's Report 2018-2019

Community Vision: Create a school that continues the atmosphere and character of Barnard School which includes strong academics, a center of community focus, and an emphasis on the development of the whole person. The vision will be funded through creative financial planning both public and private. (Created 1995; Revised 2006)

This report is reflective of what has happened since my taking the helm of Barnard School which started on July 1, 2018. Though it has only been six months, much has happened during that time. Our plan is to revisit the mission statement which was originally developed in 1995 before the end of the current school year and to create a new action plan based on that new statement. Until then, we will structure this report around the current mission statement stated at the top of this report.

#### Personnel/School Building Issues/Enrollment

- As of January 15, the enrollment of Barnard School is at 84 students where we have four grade levels with enrollment in the mid-teens. We have seen a number of families moving into town in the past few years with many families having high school aged students. Currently, we have 30 students attending Amesbury High School and one attending Winnacunnet High School.
- This past June, we said good-bye to our beloved administrative assistant, Denise Jones. Mrs. Jones decided to retire after 20 years of service to Barnard School. Over the summer, we hired Deanna Abram who is doing a wonderful job filling the shoes left behind from Mrs. Jones.
- Last March, we mourned the death of our Reading Specialist, Carol Dugan. Over the summer, we hired Alecia Kernus. Although there is no replacement for Ms. Dugan, we are thrilled to have Mrs. Kernus on staff.
- We are blessed to have such a beautiful school facility. However, after almost twenty years, we are beginning to see and feel the building's age. In October, one of the fittings on the sprinkler system gave way and sent rusty water flowing down into the classroom causing damage in the classroom as well as two of the spare classrooms on the lower level. After working with the insurance company, we were able to restore the room. We also are in the process of replacing the roof on the primary wing as well as upgrading the security measures on the building.

#### Development of the Whole Person

- Although we are a small school, I am proud that we are able to offer the Barnard students a variety of extracurricular activities including some sports team, music lessons, yearbook, and our newly named Compass Council.
- We also provide for our students in grades 6 and 8, opportunities to explore the world outside South Hampton. This October, our sixth graders attended Nature's Classroom, a 5-day camp experience up in Freedom, NH. It was well received by all the students and they represented South Hampton well. We are the process of planning next year's

trip. In May, the eighth graders will be going on their annual class trip to Washington, D.C. They are doing a wonderful job raising the needed funds.

#### **Program of Strong Academics**

- We are continuing the pursuit of strong academic studies but first strengthening our current Language Arts program in grades K-8. This has required the ELA teachers to align the practices with the current research on effective language arts teaching as well as with the Common Core Standards that have been adopted by the State of New Hampshire.
- Barnard School is also working with SAU 21 in the area of competency-based education by developing first quality performance assessments or QPAs. These assessments align with the competencies set by the State of NH as well as by SAU 21 so students can demonstrate their proficiency for certain competencies.

#### **Center of Community Focus**

- This year we started some new traditions we hope continue here at Barnard School that help to bring members of the community into the school and be part of our students' lives. The first tradition is a program out in front of the school to honor our veterans. We invited our town veterans to the ceremony and we had three members come. We had others who wanted to come but were unable to attend.
- We also held a Holiday Sing-Along where the students wore their pajamas and sang traditional holiday songs. This took the place of the holiday concert that is now being held in January as the Winter Concert.
- As of this report, the students are making valentines for every household in South Hampton as a way of us showing how much we love the community's support for our school.
- The school's Compass Council has led the way to raise funds for the Merrimack Valley Feline Rescue as well as The Water Project, a non-profit located in Concord, NH that help those in the global community have access to clean drinking water.

On a personal note, I want to thank everyone in South Hampton for your continuous support for the Barnard School. Small, community schools like Barnard School are disappearing throughout the region as well as the country due to a number of reasons. Thank you for supporting us and believing in us. May we continue to make you proud of us every day.

Respectfully submitted,

Walter G. Huston, Ed.D. Principal Barnard School

#### Annual Report of the School Board 2018

As I reflect back on 2018, I am extremely appreciative that the South Hampton School Board belongs to such a remarkable community. The support that our residents, town officials, SAU 21 Administrators and Barnard School staff have given us, has allowed us to ensure that the students of Barnard School are able to grow and thrive in a nurturing and high quality environment.

The end of the 2017-2018 school year marked some significant changes to staffing at Barnard School and in SAU 21. We said goodbye to some familiar faces and we welcomed new ones. I would like to take this time to acknowledge the dedicated professionals that are so important to our school and community.

After almost 20 years of service to Barnard School, Mrs. Denise Jones retired from her position as Office Manager-Administrative Assistant at the end of June 2018. In addition to her administrative assistant duties, Mrs. Jones wore numerous hats including special education administrative assistant, providing school nurse duties when the nurse was not present, acting as a liaison between students/parents and staff, aiding in facility issues and so, so much more. Whether it was to lend an ear, share a kind word or dry some tears, Mrs. Jones always took time for the students. She was equally valued by the parents, staff, and the South Hampton community. We wish Mrs. Jones nothing but the best as she enjoys this next, well-deserved chapter to enjoy with family and friends.

We welcomed Mrs. Deanna Abrams as the new Administrative Assistant at Barnard School. Mrs. Abrams has jumped right into her new position and has been a wonderful addition to the Barnard School team. Her kind demeanor has helped to put our students, families and staff at ease as she has embraced her new role.

Also at the end of June 2018, Barnard School principal, Mr. Kenneth Darsney moved on to accept a new position elsewhere. Mr. Darsney served Barnard School for six years and we would like to extend a thank you to "Mr. D." and wish him well on his future endeavors.

After Mr. Darsney announced he would be leaving, a search committee to find his replacement was formed that included Barnard School staff members, community members, parent representatives, SAU21 Administrators and School Board members. We would like to thank the members of the search committee for the many hours they volunteered to help with this initiative.

The School Board accepted the Superintendent's nomination and the search committee's recommendation of Dr. Walter Huston as the new principal of Barnard School as of July 1, 2018. Dr. Huston received his B.S. in Elementary and Middle School Education from Gordon College, his M.Ed. in Special Education from Lesley College, his C.A.G.S. Degree in Administration, Policy and Planning from Boston University, and he earned his Ed.D. in Educational Leadership K-12 from New England College. Dr. Huston has worked as a classroom teacher, special education case manager, curriculum specialist and principal. Prior to accepting the position at Barnard School, he had been serving as the principal of the John D. Perkins, Sr. Academy of Marlow (pre-K-6) in Marlow, NH. While in Marlow, Dr. Huston gained significant experience working in a small school with multi-age classrooms, similar to Barnard School. We appreciate his dedication to working with small, close-knit communities such as ours.

Finally, Superintendent of SAU 21, Dr. Robert Sullivan also announced he would be retiring at the end of June 2018 after serving our districts for eight years. Our districts enjoyed tremendous growth and success under his leadership. We would like to thank Dr. Sullivan for his dedication to the students, staff and communities of SAU 21 and wish him well on his retirement.

On July 1, 2018, we welcomed Dr. William Lupini as the new Superintendent of SAU 21. Dr. Lupini received his B.S. from Indiana University of Pennsylvania, M.A. Degree from Rider University and his Ed.D. from Lehigh University. He comes to SAU 21 with significant Superintendent experience and was Superintendent of Schools in Beverly, MA from 1997 to 2004, Superintendent of Schools in Brookline, MA from 2004-2015 and most recently, Superintendent/Director of Essex North Shore Agricultural and Technical School in Danvers, MA from 2015-2018. Even in the short time that Dr. Lupini has been with us, he has presented several exciting ideas for how we can improve efficiencies and practices across SAU 21. We are looking forward to continued progress in our districts under his enthusiastic leadership.

Barnard School has continued to experience steady growth in our student population. There are currently 84 students enrolled in Kindergarten-8<sup>th</sup> grade. We are pleased to report that continued growth is predicted in the coming years. Along with an increase in the number of students at Barnard School, we have an increase in the number of our students that are attending Amesbury High School. This is due not only to larger classes that are graduating from Barnard School and then attending Amesbury High School, but we have also had several families move into town with high school age children. Because we pay a tuition rate for our students to attend Amesbury, we are beginning to see an increase in our school's operating budget as a result of this. We are working closely with the Budget Committee to ensure that we are properly planning for costs associated with tuition.

The School Board has remained committed to the maintenance of Barnard School in an effort to protect the town's investment in the facility and the property. It has been discovered that the shingle roof on the oldest part of the Barnard School building is in need of replacement which will occur in 2019. This is a necessary expense which will be taken out of the Roof Expendable Trust Fund. We have also continued to keep a watchful eye on the gymnasium roof making sure that prompt repairs occur if leaking develops at the "seam" which has been problematic over the past several years. In the fall of 2018, a leak occurred in a portion of the sprinkler system which affected one of the classrooms at the school. As a result, the floor in that classroom was replaced and was fortunately covered by insurance. Finally, we are closely monitoring the boiler in the school. It has begun to require a fair amount of maintenance to keep it running properly and we believe it is nearing the end of its life.

The School Board meets the first Wednesday of the month at 5:30 pm at Barnard School. We welcome all those who wish to attend. Please visit SAU 21's website at <u>www.sau21.org</u> for additional information regarding school board meetings and policies.

Respectfully Submitted,

Kimberly Molin Chair, South Hampton School Board

### South Hampton School District South Hampton, New Hampshire Warrant 2019

To the inhabitants of the School District of the Town of South Hampton in the County of Rockingham in the state of New Hampshire qualified to vote in school district affairs are hereby notified and warned that the two sessions of the Annual School District Meeting will be held as follows:

#### First Session of Annual Meeting (Deliberative Session):

Date: Tuesday, February 5, 2019 Time: 7:00PM Location: Eleanor M. Batchelder Gymnasium Details: To explain, discuss, debate and possibly amend the following warrant articles

#### SNOW DATE (Deliberative Session):

Date: Wednesday, February 6, 2019 Time: 7:00PM Location: Eleanor M. Batchelder Gymnasium

#### Second Session of Annual Meeting (Official Ballot Voting)

Date: Tuesday, March 12, 2019 Time: 11:00AM – 8:00PM Location: South Hampton Town Hall Details:

#### Article 01 Operating Budget

Shall the School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,297,297? Should this article be defeated, the default budget shall be \$2,283,553, which is the same as last year, with certain adjustments required by previous action of the School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required.)

Note: Warrant Article #1 (operating budget) does not include appropriations in any other warrant articles.

Yes	No
res	INO

#### Article 02 Seacoast Education Association

To see if the School District will vote to approve the cost items included in the collective bargaining agreement reached between the South Hampton School Board and the Seacoast Education Association which calls for the following increases in salaries and benefits at the proposed staffing levels:

Year	Estimated	Estimated Health	Estimated Salary	TOTAL
	Salary Increase	Insurance Decrease	Driven Benefits Increase	Estimated Cost
2019-20	\$36,891	\$0	\$8,137	\$45,028
2020-21	\$36,145	(\$709)	\$7,961	\$43,398
2021-22	\$37,810	\$0	\$8,306	\$46,116
2022-23	\$39,241	\$0	\$8,590	\$47,831

and further to raise and appropriate the sum of \$45,028 for the 2019-20 school year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at proposed staffing levels in accordance with the current collective bargaining agreement. (Majority vote required.)

The School Board and the Budget Committee recommend this appropriation.

Note: In order for this article to be adopted, it must be approved by the voters of the school districts of Hampton Falls, North Hampton, Seabrook, South Hampton and the voters of the Winnacunnet Cooperative School District (which includes Hampton voters).

Yes

No

#### Article 03 Computer Technology Capital Reserve Fund

To see if the School District will vote to raise and appropriate the sum of \$7,000 to be added to the existing Computer Technology Capital Reserve Fund, for the purpose of purchasing computer technology equipment? The School Board and the Budget Committee recommend this appropriation. (Majority vote required.)

Deliberative Session Minutes – 2019 Page 1 of 5

### South Hampton School Board Deliberative Session Barnard School Gymnasium Tuesday, February 5, 2019

The 2019 Deliberative Session was held in the Town of South Hampton, in the County of Rockingham, in the State of New Hampshire, on the 5th day of February 2019. Moderator Pam Noon called the meeting to order at 7:00 PM.

Members of the school district were introduced: School Board members Kim Molin (chair), Jim Kime, and Rebecca Burdick; Emily Kime, School District Clerk; Barnard School Principal, Walter Huston; Director of Special Services, Aline Donabedian; SAU 21 Assistant Superintendent, Ronna Cadarette; School District Attorney, Al Cassasa; and Nancy Tuttle, Finance Manager. Also in attendance were South Hampton Budget Committee members Dennis Blair, Will Hodge, and Daniel Mahoney.

Pam Noon outlined the procedures under which she would run the meeting; she then introduced and read Article 01.

#### Article 01: Operating Budget

Shall the School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,297,297? Should this article be defeated, the default budget shall be \$2,283,553, which is the same as last year, with certain adjustments required by previous action of the School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required.)

Note: Warrant Article #1 (operating budget) does not include appropriations in any other warrant articles.

Jim Kime moved to open Article 01 for discussion, seconded by Rebecca Burdick.

Kim Molin presented the items comprising the operating budget, pausing to answer questions from the audience and to allow for any discussion. It was noted that the amount in Article 01 was recommended by the School Board, Administration, and the Budget Committee.

The proposed operating budget is a 5.58% increase over current year's (2018-2019) operating budget. The line items: transportation, high school tuition, employment benefits, and SAU services are main drivers of the increase, however, these items are out of the School Board's control as they are required by law or contracted services.

Barbara Knapp asked why arts and humanity is being reduced by \$499 to \$1? Kim Molin said the services are still being provided, just funded differently, often by the PTA. Barbara Knapp asked what if that volunteer base goes away? Kim Molin said the school will have to have ongoing discussions with the PTA and that the line item is being kept open for future years.

When discussing the new SAU-wide position, Director of Student Services, Barbara Knapp stated that for contracted services the school does not need to provide benefits, but with the new job share throughout the SAU these typical contracted positions will likely become employees of the SAU, which will require benefits. How will that effect the budget? Dr. Ronna

Deliberative Session Minutes - 2019 Page 2 of 5

Cadarette said we can hire full-time positions that will work at several SAU 21 schools, rather than contracted services, that get significantly costly. Through contracting out services as a whole, the SAU hopes to receive better products and services.

When discussing the line item field trips, which has been reduced by \$1,000 to \$500, Barbara Knapp asked where the student body can go for \$500? Dr. Huston replied that with the new bus transportation contract, transportation is included for some field trips. Kim Molin stated the School Board did discuss this with the administration and there is a field trip plan going forward.

Will Hodge asked for the administration salary line item to be clarified. \$90,000 was budgeted in 2018-2019 and that the Board stated administration positions that are not under union contracts, are proposed to receive a 3.4% raise. The proposed \$95,128 for Salary-Administration is higher than 3.4% raise. Kim Molin explained that the \$90,000 was what was budgeted for the 2018-2019 school year before the current principal has been hired.

When discussing high school tuition, specifically to Winnacunnet and the technical high school SST, Linda Blair asked if the district provided transportation to those schools? Kim Molin answered that the district does not.

With no further discussion, Jim Kime made a motion to restrict reconsideration for Article 01. Rebecca Burdick seconded the motion. By unanimous show of hands from the audience, the motion to restrict reconsideration was approved.

Pam Noon introduced and read Article 02.

#### Article 02: Seacoast Educational Association

To see if the School District will vote to approve the cost items included in the collective bargaining agreement reached between the South Hampton School Board and the Seacoast Education Association which calls for the following increases in salaries and benefits at the proposed staffing levels:

	Estimated	Estimated Health	Estimated Salary	TOTAL
Year	Salary Increase	Insurance Decrease	Driven Benefits Increase	Estimated Cost
2019-20	\$36,891	\$0	\$8,137	\$45,028
2020-21	\$36,145	(\$709)	\$7,961	\$43,398
2021-22	\$37,810	\$0	\$8,306	\$46,116
2022-23	\$39,241	\$0	\$8,590	\$47,831

and further to raise and appropriate the sum of \$45,028 for the 2019-20 school year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at proposed staffing levels in accordance with the current collective bargaining agreement. (Majority vote required.)

The School Board and the Budget Committee recommend this appropriation. Note: In order for this article to be adopted, it must be approved by the voters of the school districts of Hampton Falls, North Hampton, Seabrook, South Hampton and the voters of the Winnacunnet Cooperative School District (which includes Hampton voters).

Rebecca Burdick made a motion to open Article 02 for discussion. Seconded by Kim Molin. The terms of the proposed contract were presented by Jim Kime. Nancy Tuttle stated more information regarding the SEA contract can be found on the SAU21 website. There is a video

Deliberative Session Minutes - 2019 Page 3 of 5

that explains what happened during the negotiation process and the impact that the contract agreement will have on the district.

With no further discussion, Pam Noon introduced and read Article 03.

#### Article 03: Computer Technology Capital Reserve Fund

To see if the School District will vote to raise and appropriate the sum of \$7,000 to be added to the existing Computer Technology Capital Reserve Fund, for the purpose of purchasing computer technology equipment? The School Board and the Budget Committee recommend this appropriation. (Majority vote required.)

Jim Kime motioned to open Article 03 for discussion. Seconded by Rebecca Burdick. Kim Molin presented Article 03 stating the school historically purchased new computers every 3 years, however, we have found in recent years that computers can go 4 years without being replaced.

With no further discussion, Pam Noon introduced and read Article 04.

#### Article 04: Roof Expendable Trust Fund

To see if the School District will vote to raise and appropriate the sum of \$25,000 to be added to the existing Roof Expendable Trust fund for the purpose of repairing or replacing roofs on the South Hampton School District buildings? The School Board and the Budget Committee recommend this appropriation. (Majority vote required.)

Kim Molin motioned to open Article 04 for discussion. Seconded by Rebecca Burdick. Jim Kime presented Article 04 stating the fund was started in 2016 for unanticipated roof problems. Currently there is \$49,208 in the fund, however at the school board meeting prior to deliberative sessions this evening, the Board approved to take out \$30,976 for a partial replacement of the Van Bokkelen wing roof, which is in great need of repair.

With no further discussion, Pam Noon introduced and read Article 05.

#### Article 5: Tuition Stabilization Expendable Trust Fund

To see if the School District will vote to raise and appropriate the sum of \$15,000 to be added to the existing Tuition Stabilization Expendable Trust fund to supplement the funding of high school tuition costs? The School Board and the Budget Committee recommend this appropriation. (Majority vote required.)

Rebecca Burdick motioned to open Article 05 for discussion. Seconded by Kim Molin. Jim Kime presented Article 05 stating the fund was established in 2016 for a bubble class, however, the trend appears to be that the student population is rising and the bubble type class is projected to be the new normal. Currently the Tuition Fund is at \$24,988.24.

Without any further discussion, Pam Noon introduced and read Article 06.

#### Article 06: Special Education Expendable Trust

To see if the School District will vote to raise and appropriate the sum of \$25,000 to be added to the existing Special Education Expendable Trust Fund, with up to \$25,000 to be funded from the June 30, 2019 unassigned fund balance available for transfer on July 1, 2019? No additional amount to be raised from taxation. The School Board and the Budget Committee recommend this appropriation. (Majority vote required.)

Deliberative Session Minutes – 2019 Page 4 of 5

Kim Molin motioned to open Article 06 for discussion. Seconded by Jim Kime. Rebecca Burdick presented Article 06 stating the fund is for unanticipated costs for special needs students or testing that is not in the operating budget, for example if a new student moved to Town. Article 06 is funded by unexpended funds left at the end of current school year (2018-2019). The fund is currently at \$110,082.63. The SAU recommends the fund to have a balance of \$300,000.

Pam Noon asked, if on July 1<sup>st</sup> you don't have \$25,000, but you have \$22,000, how much goes in? Kim Molin stated you would put in \$22,000. Kim Molin also stated that the articles are funded in the order in which they appear on the ballot; therefore Article 06 would be funded before Article 07.

With no further discussion, Pam Noon introduced and read Article 07.

#### Article 07: Building Maintenance Expendable Trust

To see if the School District will vote to raise and appropriate the sum of \$15,000 to be added to the existing Building Maintenance Expendable Trust Fund, with up to \$15,000 to be funded from the June 30, 2019 unassigned fund balance available for transfer on July 1, 2019? No additional amount to be raised from taxation. The School Board and the Budget Committee recommend this appropriation. (Majority vote required.)

Jim Kime motioned to open Article 07 for discussion. Seconded by Kim Molin. Rebecca Burdick presented Article 07 stating the fund is for unanticipated costs for building expenses. The balance at the end of the 2018-2019 school year is expected to be \$32,215. The target is \$150,000. Article 07 would be funded from unexpended funds from the 2018-2019 school year.

With no further discussion, Pam Noon introduced and read Article 08.

# Article 08: Charges for Professional Banking or Brokerage Assistance for Capital Reserve Funds

Shall the School District vote, pursuant to RSA 35:9-a, II (which became effective July 26, 2014), to authorize the Trustees of the Trust Funds, without further action of the school district meeting, to charge any expenses incurred for services by an investment advisor for the school district's capital reserve funds in their custody as authorized in RSA Chapter 35, against the capital reserve funds involved, such authority to remain in effect until rescinded by a vote of the school district, which said vote to rescind such authority shall not occur within 5 years of the adoption of this article? (Majority vote required)

Jim Kime motioned to open Article 08 for discussion. Seconded by Rebecca Burdick. Dennis Blair presented Article 08 stating the trustees of the trust funds want the return on investment to match the inflation rates. An investment advisor agreed upon a strategy with 85% short and medium-term bonds and 15% equity asset allocation, which is conservative. This article authorizes the investment advisor to be paid out of the trust fund. The fee for the investment advisor is one half of one percent.

Nancy Tuttle stated 3 of the 5 school districts in SAU21 currently use this approach.

Pam Noon addressed the public stating all Articles are concluded. She opened the floor up for further business.

Deliberative Session Minutes - 2019 Page 5 of 5

Without any further discussion, Nancy Tuttle thanked Pam Noon for accepting the moderator position, which she was a write-in vote candidate at last year's election.

Nancy Tuttle thanked Kim Molin for her exceptional 11 years of service to the School Board. Nancy noted Kim's extraordinary dedication to Barnard School and its students.

Pam Noon reminded attendees that the Town election is on March 12, 2019.

With no further business, Pam Noon asked for a motion to adjourn the meeting at 8:41 PM. The motion was made by Barbara Knapp, seconded by Emily Kime. The motion was approved by a unanimous show of hands.

Respectfully Submitted,

Emily, Kime

Emily Kime School District Clerk

### Default Budget of the School District South Hampton Local School

For the period beginning July 1, 2019 and ending June 30, 2020

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body-unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.
