There will be an Exhibition Night on Thursday, March 9th from 5:30pm-7pm. Come to the school for pizza, drinks, and a chance to see what students learned during the second trimester! This will take the place of scheduled parent conferences this spring. If you are interested in connecting with the teachers, please reach out and we can schedule a conference! Hello,

Students should be finished with their pillow projects!

I do have a few students that will need to see me about staying after school and/or attending my flex to finish their pillows.

After vacation we will learn more about the sewing machines and will be using them for our next textiles project, a flat panel apron. A parent letter will be sent home and a copy is linked to this.
