

# ART ROOM newsletter

Mrs. Colleen Sousa

## Art Club started!

We meet every Tuesday  
2:30 until the late bus at  
3:25.

## Help needed

Many of our stations use  
recycled materials for  
art. We would be very  
appreciative of these  
donations:

Newspaper  
Magazines  
Cardboard tubes from  
paper towels

## What's Happening?

Students have been  
focusing on the hands-on  
creating part of visual arts.  
Each class, our students  
choose the type of art they  
want to create. Currently,  
these stations are opened:

Drawing  
Painting  
Sculpture  
Collage  
Papier Mache

Next we will be looking at  
art and writing about it.  
Students will need  
chromebooks.
