- a. The dismissal, promotion, or compensation of any public employee or the disciplining of such employee, or the investigation of any charges against him/her, unless the employee affected (a) has a right to a meeting; and (b) requests that the meeting be open in which case the request will be granted.
- b. The hiring of any person as a public employee.
- c. Matters, which if discussed in public, would likely affect adversely the reputation of any person, other than a member of the body or agency itself, unless such person requests an open meeting.
- d. Consideration of the acquisition, sale, or lease of real property or personal property which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community.
- e. Consideration or negotiation of pending claims or litigation which has been threatened in writing or filed against the body or agency of any sub-division thereof, or against any member thereof because of his/her membership in such body or agency, until the claim or litigation has been fully adjudicated or otherwise settled.
