

Seabrook Elementary School

Happy New Year

Welcome to 2017! We are excited about a new year of opportunities for learning. Our students have been learning and developing so much this year and we are excited about the rest of the year with them. Please remember that one of the most important things you can do as parents/guardians is support your child's practice of what they are learning in school and expose them to learning beyond the school walls. Please encourage your children to read every night and practice their math facts. All of that practice really makes learning easier and more enjoyable for them in the classroom. We know that our lives get busy and it is hard to fit everything in, but reading and practicing basic math facts with your child each night will have a long lasting impact.

Child Find Screening in February

The Seabrook School District is responsible for identifying children from two and a half to 6 years who may require special education services.

A Child Find Screening will be held on **Wednesday, February 15, 2017**. Parents who have concerns about their child's development in the areas of speech and language, motor coordination, social/emotional growth, vision and hearing, or learning abilities are urged to call **Angie Ducharme** at **474-8017** to schedule an appointment for this screening.

NO SCHOOL:

There will be **no school from Dec. 26th to Jan. 2nd**. Students will return to school on Tuesday, Jan. 3rd.

There is an **early release on Friday, Jan. 13th**. Students will be dismissed at 12:00 pm and there is **no school on the following Monday, Jan. 16th** for Martin L. King Jr./Civil Rights day.

DONATION REQUEST:

Our Physical Education Class is requesting donations of sneakers to have at the school for students that need them to participate in class. We would also appreciate donations of snow shoes. We have some pairs of snow shoes that we share with the Seabrook Rec., but we could really use more to have a whole class set. We appreciate anyone that can assist us.

ATTENDANCE:

Regular attendance at school is crucial to your child's success. Please make sure that you review the attendance policy in the student handbook closely. If your child is ill, please be sure to call prior to 8:00 am at 474-2252. Please make sure students are on time for school each day, as instruction begins promptly at 8:00 am.
